Solar Conversion Project

Agenda Memorandum

Submitted by: Brannon Godfrey, Town Manager

Discussion:

Solar Solutions completed the analysis of the seven Town-owned buildings: Water Plant, Wastewater Treatment Plant, Public Works and the Visitors Center. Abby Johnson of Abacus Property Solutions (<http://abacuspropertyolutions.com/>) is providing me information on alternatives for energy savings and advice on direct purchase vs. power purchase agreements. She has offered to provide this consultation at no cost. I have provided her the Solar Solutions information as well as our building operating costs and efficiency measures taken to date.
